FOOD SAFETY POLICY

At Buffalo Millers Ltd, we are committed to producing and distributing safe, high-quality maize products that meet food safety, nutritional, statutory, and regulatory requirements. Our Food Safety Management System reflects our dedication to responsible sourcing, hygienic operations, effective controls, and continual improvement.

We ensure all employees are trained, competent, and engaged in maintaining food safety, supported by clear communication within the company and with customers, suppliers, regulators, and other stakeholders.

This policy provides the framework for setting and reviewing food safety objectives and is communicated, applied, and made available to all relevant parties. Through transparency, accountability, and collaboration, we strive to protect customer health and satisfaction.
